

Leadership Bootcamp

Join a highly practical programme tailored to your context, that turns your ambitions and tensions into a Change Playbook your organisation can act on.

- **20% Learning, 80% Doing**
Every session produces actionable outputs relevant to your context
- **Practitioner-led**
Real leadership conversations, facilitated by senior practitioners, with leadership experience
- **Fixed-price**
scoped to your context through an initial conversation, no open-ended billing

From Kick-Off to Change Playbook: every module introduces relevant key learnings and best practices and immediately translates them into a **pragmatic set of changes and actions relevant to your context.**

6 to 8

weeks

5 + 5

modules + working sessions

~30

hours per participants

when adapting to AI is one of your ambition or tension

the MAI module and Working Sessions are added between M4 and M5, and their outputs are integrated into the Change Playbook

**MAI
AI as an
Enabler**
